

## BRAKEMAN CRUSHED BETWEEN CARS

### S. E. Allen Has Fatal Accident Sunday Morning in Frisco Yards at Monett

S. E. Allen, a Frisco brakeman, was probably fatally injured in the Monett railroad yards, Sunday morning.

He was brakeman on a stock train which was being made up in the yards. The switch engine was placing a caboose on the rear of the freight. By a misunderstanding the freight crew and switch engine backed together as Mr. Allen was on the rear of the caboose fixing the coupling. He was caught between the tender and the caboose. His chest was crushed, the left arm was torn nearly off at the shoulder and his right arm was broken at the wrist.

Dr. A. S. Hawkins, the Frisco physician accompanied the injured man to the Frisco hospital at Springfield.

He was cheerful and brave and talked to his wife and grown daughter who visited him. His injuries were such that no operation could be performed for his relief. He was still alive this morning but physicians say he cannot recover.

Mr. Allen was 43 years old and his home was at Springfield. He ran as passenger brakeman out of Monett a number of years ago.

## OUR OZARKS

First the hunters and fishermen discovered the charms of the Ozarks, now the painters have come to a realization of their allurements, and presently we may hope that society at large will open their eyes to the beauties of scenery and their souls to that spell of the wilderness still humanly retained by all men and enter into the land.

Chicago landscape artists have just returned from our Missouri "Berkshires" or "Catskills" (as you please), and one of them, speaking for the rest, says: "An artist can not stay in this country at this season of the year and not be inspired. Nothing you could do to the Alps would give them the real Ozark atmosphere; that is a composite part of this beautiful country of yours. From the standpoint of technique there are many things that make it a chosen country for the landscape artist. The Ozark Mountains hold more true American landscape, in my opinion, than any other section in the United States."

We are, from year to year, getting more and more authority on the proper status of the Ozarks. A few poets and masters of descriptive prose may be needed and the reputation of our mountains will be as secure as that of the Scotch Highlands or the Rhine, and then when we are told that it is worth while, we may appreciate something at our doors—even at our very back door. Scenery is not without honor save in its own country.—F. H. Collier, in St. Louis Globe-Democrat.

## HE WANTED IT DECIDED

"Ma! Ma!" bawled Freddie as the usual morning wash was going on. "Do my ears belong to my face or my neck?"

Ma temporized. "Why, what is the matter?" she asked.

"I want it decided now. Every time you tell Mary to wash my face or my neck she washes my ears, too."

## MRS. JOE L. AVERY

### DIED AT HOSPITAL

Mrs. Joe L. Avery, of Monett, died at St. Johns hospital in Joplin at noon Friday, November 12. She was operated upon at that place, Thursday night, for appendicitis and complications. She got along nicely for a while but finally succumbed from the shock.

## DELIVERED CLOSING SERMON

On Sunday evening Rev. W. T. Smith delivered the closing sermon of his year's pastorate of the Christian church. There was a large attendance and Rev. Smith delivered a good practical sermon on "The Kingship of Jesus." H. J. Dixon conducted the song service for the occasion and also rendered a solo.

After the sermon Dr. Weiss gave a short talk, touchingly expressing the regret of the congregation at the departure of Rev. Smith and family.

## MISS LONG WON NEW YORK CUP

### With Illumination Kansas City Horsewoman Took Waldorf Astoria Prize

New York, Nov. 11.—Miss Loula Long of Kansas City won the Waldorf Astoria cup at the horse show tonight with Illumination. In the afternoon Miss Long won second, driving her own entry in the class for pairs of harness horses, with Revelation and Realization. Miss Long also took second place with Realization in the class for horse shown to phaeton, ladies driving.

## GOES TO MONETT

Chas. Galloway, who for eleven years has conducted a big clothing business in Lamar, this week closed up his interests here and departed for Monett, where he will immediately open up on even a larger scale than that upon which he operated here. Mr. Galloway is a successful merchant, and for this there are many reasons. He is a skillful buyer and he gives the buying public the benefit of any market advantages that are his. He knows how and when to advertise his goods in order to interest the people and meet their needs. He becomes acquainted with his customers, and the interest he displays in them is never feigned because he is a man of broad sympathies and because he really likes his fellowmen.

The farmers of Barton county have long been proud of Mr. Galloway's success as a breeder of fine poultry. His flock of White Orpingtons are surpassed nowhere in the state, and he has taken many prizes on his pens. More recently he has won first premiums and several other premiums at Jefferson City, Chillicothe, Neosho, Columbia and West Plains.

Four years ago he was urged by many of the towns' leading citizens to make the race for mayor on the Democratic ticket, there being many important matters before the administration requiring foresight and calm judgment in the man at the head of city affairs. But Mr. Galloway declined to let his name go on the ticket.

Mr. Galloway was president of the Athletic Club and of the Barton County Poultry Association, both of which offices his going leaves vacant.

Mrs. Galloway, who was a member of Lamar's society set, went to Monett two weeks ago with her two sons, Robert and Harold Goffrey, aged respectively five and one years. They are already established in their new home and Mr. Galloway will join them not later than Saturday.—Lamar Leader, October 28.

## BABY DIED AFTER

### HOURLY ILLNESS

Wayne Shelby Amber, the 7-month-old son of Mr. and Mrs. Ben Amber, died at 3 o'clock, Saturday morning. The child became ill in the night with convulsions and died before he could be relieved. Acute indigestion is given as the cause of his death.

The body will be taken to Blue Mound, Ill., where funeral services will be held and where burial will take place.

Mr. and Mrs. Amber moved here from Blue Mound three weeks ago. The mother of the child is an invalid.

## DRUG STORE CHANGES HANDS

The Lewis Drug store changed hands Friday, Mrs. C. Lewis having traded the same to G. R. Dempsey, of Carthage, for residence property in Peirce City. The new proprietor is now in charge.

Mr. Dempsey was for years in the drug business in Peirce City but has for the past two years been a resident of California, and for a short time a resident of Carthage.

He has not fully decided to move his family here at once for the reason that his daughter is a member of the graduating class of 1916 in Carthage.

Mrs. Lewis has decided to retire from business.

The Frisco will begin this week to build a new mill shop at Springfield to replace the one burned at the reclamation plant a short time ago. The building will cost about \$3,000 and will be smaller than the one that burned. It will be supplemented by a number of smaller buildings to be used as tool houses.

## DRAKE BEATEN BY COLUMBIA TIGERS

### Missouri Wins Largely On Line Plunges, End Runs and Exceptional Interference

Columbia, Mo., Nov. 13.—Missouri defeated Drake 41 to 13 here today in a game in which plunging line attacks varied with end runs.

In the last period, Drake opened with a forward pass and made gains totaling the length of the field, scoring a touchdown. Drake also scored in the second period, when short line plunges netted a touchdown and a goal kick. Missouri scored in every period.

Collins played a star game for the local team and raced through the entire Drake team for fifty yards and a touchdown. The forward pass was used to advantage by the Missouri players, this style of play winning a touchdown in the second period.

Missouri scores also were made by line plunges and end runs, coupled with splendid interference.

## MRS. MARGARET HENNEGAN

Mrs. Margaret Hennegan died at her home in Denver, Colo., Monday morning, November 8, 1915.

The remains were brought to this city and the funeral services were held at St. Patrick's church, Thursday morning, being conducted by Rev. Fr. Brady, and interment was made in St. Patrick's cemetery.

She was an old resident of this city, but for several years has been living in Denver with her daughters.

Deceased leaves seven children, four girls and three boys, her husband having preceded her to the other world some years ago.

The children are J. T. Hennegan of Peirce City, Mrs. J. W. Dillon of Denver, Mrs. W. P. Jackson of Fayetteville, Ark., Patrick Hennegan of St. Louis, Michael Hennegan of San Antonio, Tex, Margaret and Sadie Hennegan of Denver.—Peirce City Leader.

## HALF MILE OF SUB- STANTIAL ROAD

W. J. Rowe, one of the enthusiastic good roads men of the township, was exhibiting views of the new piece of road lately completed along the Garnet Sullivan farm south of town. The road was widened to 40 feet, plowed and scraped out, and replaced first by several hundred loads of field rock, which was first well settled, then covered with the dirt taken from the center, which was well packed and formed a grade and then covered with a heavy layer of gravel. The road as soon as it becomes packed will be one of the best and strongest half sections of road in the township and will endure many years of wear. The road cost about \$700 and is well worth the investment. It will endure for many years, a monument to the good judgment and road spirit of the citizens of the community. The work was promoted and directed by Mr. Rowe.—Marionville Free Press.

## SWALLOWED IODINE

### BY MISTAKE

Little Lenore Simmons, daughter of Dr. and Mrs. Simmons, accidentally swallowed tincture of iodine last Tuesday about noon and for a time it was feared that she would be permanently injured. Prompt measures of relief were taken and it is probable that the child will completely recover though she will suffer for some time.

Mrs. Simmons has been giving her daughter iron for a tonic and by mistake administered the iodine, giving Lenore a teaspoonful. The resultant effects were of the most painful kind and it was even feared that the dose would prove fatal. The prompt administration of an emetic brought relief. A liquid diet and rest will probably bring the little patient through in a short time.—Sarcocoe Record.

## AURORA BEATS CARTHAGE

Aurora, Nov. 13.—The Aurora high school football team defeated the Carthage high school eleven here this afternoon by a score of 6 to 0. The game was a close, hard contest. The Carthage players were unable to effectively penetrate the defense of the Aurora team.

Mr. and Mrs. Leo Leckie returned Sunday evening from a visit with relatives at Neosho.

## RUMOR THAT LEVY WILL BE VICE PRESIDENT OF FRISCO

There is a rumor that General Manager E. D. Levy of the Frisco Railway is slated for advancement in the re-organization scheme. It is said that Mr. Levy is to be made first vice president in charge of traffic and general manager.

## A 12-YEAR-OLD BOY RAISES 144 BUSHELS OF CORN ON AN ACRE

"In spite of a severe drought 144 bushels of corn were raised on an acre by a twelve-year-old Mississippi boy in 1914," according to a contributor in the current issue of Farm and Fireside. "The corn won a prize of \$125 for being the largest yield in the country. It cost the boy 23 cents a bushel to raise the corn. This is how he does it:

"The 1915 acre of this expert corn grower, William Smith of Recluse, Harrison County, Mississippi, is better than normal and looks as if it might produce 150 bushels. His land has been made rich by the liberal use of barnyard manure and smaller amounts of commercial fertilizer. He always plants a crop of peas, clover, or some other cover crop. This is turned under in the early spring. He saves a part of the hay."

## THE WORLD'S GREAT- EST DAIRY RECORD

Sophie 19th of Hood Farm, the world's champion Jersey cow, has completed another year's record, which we believe stamps her as the greatest dairy cow in the world of any breed.

In 1914 "Sophie" broke the Jersey breed record with a production of 17,557.8 lbs. of milk, 999.1 lbs. of butterfat. She calved on August 21, 1914, and was started on September 20th on the test which she has just completed. Milked but twice a day, and carrying a calf 175 days of the test, "Sophie" completed her sixth lactation and sixth year's record with a production of 11,915.4 lbs. of milk, containing 680.5 lbs. of fat, or 800.6 lbs. of 85 per cent butter.

A total of 72,920.8 lbs. of milk, 5,217 lbs. of 85 per cent butter, for six consecutive lactations earns "Sophie" the title of World's Champion Long Distance Dairy Cow. Sophie 19th of Hood farm is owned by Mr. C. I. Hood, of Lowell, Mass., and was tested under the supervision of the Massachusetts Agricultural College.

## MARRIAGE LICENSES

Samuel Shelton	Goodman
Gene Clark	Anderson
A. L. Marble	Goodman
Rose Wyatt	Neosho
Bruce Wilson	Seneca
Lillie Snow	Neosho
Chas. S. Coffee	Joplin
Gipsy S. Fowler	Joplin
Jas. W. Courtwright	Galena, Kan.
Julia Woodruff	Galena, Kan.
Maxwell C. Hall	Webb City
Nettie M. Seine	Tulsa, Ok.
C. V. Boggs	Sapulpa, Ok.
Nettie Johnson	Sapulpa, Ok.

## O. L. ROSE MARRIED

The Neosho Democrat reports the marriage of O. L. Rose, a prominent citizen of Purdy, as follows:

"Married at the home of Mr. and Mrs. John F. McKinney, Thursday morning, November 11, Mr. O. L. Rose of Purdy and Mrs. Delia Overby of Granby. Rev. Martin of Granby officiated. Following the marriage ceremony a morning lunch was served by Mrs. McKinney. In addition to the bride and groom the following guests were present: Mr. and Mrs. J. W. Lane, Mrs. Annie Lane and Mrs. A. J. McKinney, of Neosho; Rev. and Mrs. Martin and Miss Nellie Overby of Granby."

## BIRTHDAY PARTY

Harold Haxel was twelve years old, Friday, and his friends gave him a surprise party, Friday evening. They had music and games and light refreshments were served. Harold was presented with a watch by the visitors who were Ethel King, Violet Counts, Fern Breece, Ruth Feist, Loraine Beatty, Edwina Dement, Dorothy Haxel, Linneus Ruscha, Frank Boynton, Homer Counts, Otto Boss, Rolla Beatty and Kenneth Ogden.

## AURORA CATHOLIC CHURCH BURNS

### Nothing is Saved of Building and Contents. Loss \$15,000

The Trinity Catholic church at Aurora, burned this morning at 4 o'clock. The building was a complete loss and nothing of the contents was saved. The loss is at least \$15,000.

The church was a beautiful structure. It was built about eight years ago. The congregation had just succeeded in paying for the building this year. The furnishings were beautiful but everything was destroyed.

A Mission had been in progress the past week with the Reverend Father Silvan as lecturer.

## TOMATO CROP OF CRANE DISTRICT WORTH \$250,000

Crane, Nov. 13.—With the last shipments of tomatoes consigned to eastern markets the tomato crop of this district has been harvested and from Crane alone it is estimated \$250,000 worth of canned fruit has been shipped. The Nelson Canning factory has shipped approximately \$120,000 worth of tomatoes. The tomatoes have been worth approximately \$1,200 per car. Although the wet weather considerably damaged the crop the yield was splendid and the farmers who devoted their fields to this product received handsome returns.

## RODGERS TO TEXAS

P. A. Rodgers and family are moving to McAllen, in Southern Texas, where they will make their future home. Mr. Rodgers has not sold his home place near Gravette, where he has lived for so many years, and it will be occupied by a son. Mr. Rodgers is one of the best known men in this part of the state, having served four years in the state senate, and also having been in the lower house several terms. He has been general manager of the Ozark Fruit Growers Association for a number of years. We are sorry to see Mr. Rodgers leave Benton county and trust that it will not be long before he is back again.—Rogers (Ark.) Democrat.

Ben McCrum, a locomotive engineer who has been running on the Frisco lines out of, into and through Fort Scott for forty-three years, has retired. Mr. McCrum is still a strong man physically, except for his eyesight. He desired very much to finish the 50 years of service, but could not do so. And he has quit with a most remarkable record. General Manager Levy says he never knew of such a record in the engine service of any railroad. Superintendent McCarty says he has been unable to find in the record of Mr. McCrum's services where he ever cost the company 25 cents in damages. Mr. McCrum has run engines on this road a total of 2,500,000 miles without scratching the skin on a passenger or the paint on a car.

## PARENT-TEACHERS

### ASSOCIATION

The Mothers Club and Parent-Teachers Association held an interesting session at the Central school, Friday afternoon. Interesting talks were given by Rev. W. T. Smith, Mrs. J. Sater, Mrs. H. I. Bradford and Mrs. Coward.

It was decided to give the play "The District School" at the Elks auditorium, November 23 and charge 25 cents admission to all. Practice for the play is progressing nicely and it will be a good entertainment.

## MARRIED

Artie Thomas and Ruth Adcock, of Washburn were married November 7, at the home of C. M. Landis, of Cassville. Mr. Thomas is the son of Mr. and Mrs. Walter Thomas, formerly of Monett. The couple will make their home at Farmington, Ark., where Mr. Thomas is station agent for the Frisco.

B. C. Wolfe has returned from Chamolis, where he went to have a monument erected to the memory of his mother. He was unable to locate the grave but had the monument placed near the spot where she was supposed to be buried. His mother has been dead forty years.

A Times want ad will bring results.

## BALTZELL ANNOUNCES STAFF OF DIVISION

### Office At Thayer Abolished And Thayer And Birmingham Offices Consolidated at Memphis

The official announcement of the office staff of C. H. Baltzell, superintendent of the Central division of the Frisco which is to have headquarters at Fort Smith, has been made by Mr. Baltzell and approved by J. A. Frates, general superintendent.

The official circular issued by Mr. Baltzell after a conference with the general officials here yesterday is as follows:

"Effective date, W. H. Bevans is appointed assistant superintendent of the Arthur, Ardmore and Arkinda subdivisions and branches, with headquarters at Hugo, vice H. G. Evans, assigned to other duties.

"W. O. Koch is appointed assistant superintendent of the Fort Smith and Muskogee subdivisions and branches, including Fort Smith yard, with headquarters at Fort Smith, vice J. T. Hulehan, transferred.

"C. H. Batte is appointed chief dispatcher at Fort Smith, vice H. M. Eshelman, assigned to other duties.

"W. L. Whiteneck is appointed general foreman bridges and buildings Central division, with headquarters at Fort Smith, vice J. Nelson, assigned to other duties."

Other changes which have been made are: William Henry of Neodesha, Kan., division, will be the master mechanic, vice Frank Burns, who will be assigned to other duties; M. F. Waters, chief clerk in superintendent's office, vice G. R. Haley, who has been transferred to Enid.

W. G. Koch, who has been superintendent of the Central office in Fort Smith, will take the place of Assistant Supt. J. T. Hulehan, who goes to Memphis as assistant superintendent.

An annual saving of at least \$25,000 for the Frisco will be the result of the recent shake-up among departmental heads employed by that road, according to railroad men. Several division superintendents and master mechanics have been dispensed with, their territories being consolidated into larger divisions.

## GARRISON-LEWIS

Grover Garrison and Miss Grace Lewis were married, Saturday evening at 8 o'clock at the home of the bride's mother, Mrs. C. Lewis. The ceremony was performed by Rev. J. F. King, pastor of the M. E. Church, only a few near relatives being present.

Mr. and Mrs. Garrison left that evening for Parsons, Kan., to visit a short time with Mr. and Mrs. B. A. Beckham.

The bride is the daughter of Mrs. C. Lewis and since the death of her father has had charge of the Lewis Drug store, making many friends while in business. Mr. Garrison is a machinist in the Frisco shops at Monett. They will make their home for the present with Mrs. Lewis.

## CELEBRATES BIRTHDAY

Raymond Kingery celebrated his seventeenth birthday Friday evening, at home of his sister, Mrs. Cleve Bowles. The young people enjoyed the evening playing games.

In the party were Misses Ruth Sizor, Helen Davis, Maizie Amber, Echo Dummit, Hazel Coughron, Winnie Taylor, Hortense Dwyer, Helen Davis, Ruby Waite, Mary Burke, Norine and Jessie Wilson, Messrs. Max Fromuth, Ervin Floreth, James Hobgood, Leslie Mason, Paul Matthews, Paul Wilson, Hiram Bradford, Farris Davis, Porter Finch, Lester McCracken, Harry Burgess, Fielding Sizor and Junior West-bay.

Now is the time to select your winter reading matter. The Monett Weekly Times and the Kansas City Weekly Star, \$1.00 per year, cash in advance.

## Farm Loans WANTED

I have \$50,000 to loan on Lawrence and Barry County farms, at once. See me for quick service. Long time annual interest; lowest rates.

Wm. Smerdon
